National FBLA Week - April 9 - 15

The week of April 9 - 15, 1973 was declared National Future Business Leaders of America Week by the Governor of Virginia.

The Appomattox FBLA Chapter observed the week with various activities. A proclamation was signed by Mayor Henry Pack declaring FBLA Week in Appomattox County.

Devotions were given each morning for the entire week by Sue Harris, Chairman of FBLA Week. Thursday was set aside as "Dress Right Day" and each chapter member wore attire which would be appropriate for office dress.

Emblems were worn by club members and the highlight of the week was the annual State Convention held in Richmond.

Those attending the State Convention, shown above, from the Appomattox Chapter FBLA were (from left to right) Phyllis Ramsey, Debbie Netherland, Jewel Williams, Penny Martin, Susan Moore, Debbie Tweedy, Debra Lucas and Kay Honeycutt.

INSTALLED OFFICERS IN AMHERST

The members of the FBLA at Appomattox County High School pictured above went to Amherst to install an FNLA Chapter there.

Shown above, from left to right, are Brenda Ferguson, Kay Honeycutt, Sue Harris, Amanda Francis, Donna Stanley, Jewel Williams, Martha Grishaw, and Mrs. Beamer and Mrs. Holt, the advisors.

FBLA April Meeting

President, Kay Honeycutt, called the regular monthly meeting of the Future Business Leaders of America to order on April 11. Our Chaplain, Penny Martin, had the devotions. The secretary's report was given by Donna Stanley. The roll was called, and the minutes were approved as read. The treasurer's report was given by Kay Honeycutt.

New business brought before the chapter was to have a bake sale to raise money to send several of the members to Massanetta during the summer.

"Who's Who in FBLA" was presented by Martha Grishaw. The outstanding person for the month of April is Debra Lucas. Brenda Morris, Debbie Tweedy and Susan Moore received honorable mention for the month of April.

A suggestion was made to hold a banquet in May, to install the incoming officers of the chapter, who then will take over their position.

Sue Harris, chairman of FBLA Week, announced that the Week of April 9-15 was FBLA Week, and that members should dress their best.

Susan Moore, candidate for State Reporter, and Debra Lucas, her campaign manager presented their speeches that will be given at the State FBLA Convention, practiced a song which was prepared as a campaign song.

The students that worked for the Bloodmobile were recognized for their work, and the girls that work throughout the three schools, told about some of their duties. There are approximately 25 girls working in the schools.

Students voted for the new officers by secret ballot. The new officers for the 1973-74 session are: president, Miriam Ferris; 1st vice-president, Phyllis Ramsey; 2nd vice-president, Sheila Franklin; secretary, Debbie Stratton; treasurer, Penny Martin; reporter, Gay Honeycutt; historian, Grace Ranson; chaplain, Julie Moore; and parlimentarian, Carla Varner.

The three business teachers voted Miss Sue Harris as the best dressed business student.

The Consumer Education Tour Committee has made plans for the Extension Homemkers Spring Consumer Education Tour. The group decided to visit the Williamsburg area, including Carter's Grove and the Williamsburg Pottery Shop. Carter's Grove Plantation is six miles from Williamsburg, and was the home of Robert Carter a wealthy and influential man of the Colonial days. The house was built during the 1750's, and took six years to complete. The house overlooks the James River. After touring the plantation the group will travel to the Pottery Shop, where many unusual and interesting items may be seen. The exact date and cost has not yet been decided, but when details are available reservations may be made at the County Extension Office on Court Street.

For an economical main dish, try this recipe,

Crumby Chicken
3 lb. chicken, cut in pieces
1/2 Cup milk
1 Cup Crushed Corn Flakes
1 teaspoon salt
1/4 teaspoon pepper

Wash chicken in clean cold water and dry. Combine crushed corn flakes, salt, and pepper on a plate or waxed paper. Dip each piece of chicken in the milk, then roll in the corn flakes mixture. Place in a greased baking dish, do not crowd.

Bake at 350 degrees for about an hour until tender. If chicken gets too brown, turn the piece or cover the pan. Serves 4 to 6.

When fishing in Florida waters one never knows for sure what he has on the end of his line till it breaks water. Last Monday, March 12, Orie Schaubach and Luther Weeks were bottom-fishing when something unusual grabbed Orie's bait. Imagine his surprise when he pulled in a 7½ lb. lobster. The hook had imbedded itself in one of its front legs. Also did I hear someone say fishing i... These two brought ... pounds of fish that ... most of the fish, 130 lbs. ... sheepshead.

POSTAL WEEK

April 29 - May 5

Every community in the United States is linked to the nation and the world by our national mail service.

The welfare of every citizen, every business, on every city street and across the countryside, is dependent upon this vast communication's network, available to all our people the year round, at a price everyone can afford.

By law, your Postal Service - and the men and women who operate it - is obligated to serve your community and the nation on a non-profit basis, with courtesy and care, and to keep postal costs in balance with postal revenues.

To do this, the mail service needs the informed understanding, cooperation, support and constructive suggestions of every citizen and community.

POSTAL WEEK is an appropriate occasion for recognition of the vital responsibilities assigned to the mail service and a valid time to take stock of the challenges which must be jointly met by postal people and by the millions of citizens throughout America who depend upon the mail as an essential part of their personal and business lives.
